Hi All,

This is an invitation to the follow-up mtg that we talked about last week, to discuss any questions, issues or comments from the Services on EPA's draft Effects Assessment for aquatic life. We sent the draft Assessment to everyone for our 9/30 mtg, and it is attached to that invitation; if you need me to send it again, let me know.

I don't think we need a formal agenda; however, if there is anything else you'd like to discuss concerning the consultation, please let me know and I can draft an agenda to keep us on track.

Hope everyone stays safe and well. Best,
Diane
